

DISTRICT 8 4-H SURGE

Participant Information

- OBJECTIVE:** To prepare teen leaders from the 21 counties in District 8 for leadership roles. These roles might be at the county level, or county committees, or their clubs. The hope is that participants will take information back from SURGE and share it with members back in their counties. SURGE is set up to be enjoyable and fun, but there is work too. Many workshops are set up that will require concentration and serious participation. Speeches are delivered for officer elections. 4-H members in grades 8-12 (of the current 4-H year) are eligible to attend. We work and we play. Play time is set up with activities that build teamwork skills and camaraderie in the district.
